Intermediate Membership Information:

An Intermediate Membership is available to adults between the ages of 19 years of age and 39 inclusive. Each membership enables up to two individuals to become Intermediate Members and is open to those who are single or couples in a spousal, common law, or similar relationship. All Intermediate Members can take part in any Club activity, and assist work groups or organizing committees. In addition, Intermediate Members are encouraged to serve in any role on the Club's Executive and they can vote in General Meetings. Intermediate Members will not have any proprietary rights in the assets of the Club. At any time, an Intermediate Member, can apply for Senior Membership (normally when reaching the age of 39) and must do so no later than the date when the first member of a couple who are Intermediate Members, reaches the age of 39. Provided that the application for Senior membership is received while a member is an Intermediate Member in good standing or within one year of ceasing to be an Intermediate Member, all initiation fees payable for Senior Membership, will be waived.

All members are encouraged to help out with the running of the Club. In order to keep our fees to a minimum we ask that members pitch in and help with organizing and running the events, races, and programs the Club offers. And, of course, we're always pleased to have members lend a hand keeping the Clubhouse, the grounds and the dock in shipshape condition!

Procedure:

Once your application has been received by the Membership Director, it will be posted in the Clubhouse for seven days. Your application will then be voted upon by members of the Executive. The result of this vote will be reported to you. Successful applicants will be invited to pick up their New Member's Package (membership cards, burgee, Club Annual and other information) and to attend a briefing session at the Club to familiarize new members with the Club's premises, dock, boats and services.
